Mataró (ES), 1997. Multidisciplinary scenic artist, performer and creator.

My broad interest in a myriad of artistic disciplines draws me to many different proposals: scenic, plastic, own creation and as a performer for pieces from other creators.

I always try to keep an honest, intimate and personal perspective in my work.

work experience

Nowadays I am working as a dancer, actor and singer in *Maremar* from Dagoll Dagom. I performed in *El Octavo Día* from La Taimada, as a dancer in *Peregrins* from Miquel Barcelona, and as an actor in TV3 in *La Família del Súpers*. I performed as well in the solo *Shedding* from Luka Chkhaidze. I sang for *Korps* from Miquel Barcelona and for *Downfall* from Cia. Dawalee.

my own creation

I created my first multidisciplinary solo [7 Autoretrats](#) (2018), I directed and choreographed five dancers in the piece [Gente Haciendo Cosas en Bucle y a Veces No](#) (2018). Together with the artist Bru Ferri, I have been investigating in [Simbiosi](#) since 2013. Encarni Sanchez and I founded [Cia. Manos](#) (2017, still active).
